How HealthSnap Care Management Progam Works

Step 1
Patient Identification

Provider identifies patients for RPM/CCM

Provider/HealthSnap obtains patient consent

HealthSnap enrolls patient in RPM/CCM

Step 2 (RPM Only)
Patient Enrollment & Compliance

HealthSnap sends a pre-configured cellular device to patient

HealthSnap Care Navigator supports patient setup

CPT 99453

HealthSnap Care Navigator ensures data transmission

CPT 99454

Step 3
Communication & Reimbursement

HealthSnap Care Navigator documents medically necessary care management services

CPT 99457, 99458, 99490, 99439

HealthSnap generates monthly RPM/CCM billing report

Organization submits RPM/CCM claims and is reimbursed

Diversify Your Revenue Streams

Easily bill for RPM-specific CPT codes with HealthSnap's patented Eligibility Report and billing automation tools.

CPT Code	Short Description	Reimbursement*
99453 - RPM	Patient set up & education (1 time)	$18.48
99454 - RPM	16 days of remote data transmission (every 30 days)	$55.77
99457 - RPM	Initial 20 minutes of data review & communication (monthly)	$50.18
99458 - RPM	Additional 20 minutes of data review/communication (monthly)	$40.84
99490 - CCM	Initial 20 minutes of clinical staff time	$64.02
99439 - CCM	Additional 20 minutes of clinical staff time	$48.45

Estimated Net Annual Revenue Per 100 Patients* **$81,047.33**

*Estimated net annual revenue is based on 80% Medicare collections and subtracts HealthSnap's fees

"HealthSnap's remote patient monitoring capabilities enable our physicians to be more proactive in the care they provide, and their chronic disease-agnostic remote patient monitoring drives our overall virtual care strategy."

Dean Caven
President, Virginia Cardiovascular Specialists
