# What We Do.

## Nurse Call

- Traditional life safety systems
- Seamless integrations
- Customizable solutions
- Budget friendly
- Modular and Scalable
- Made in the USA

## Digital Whiteboards

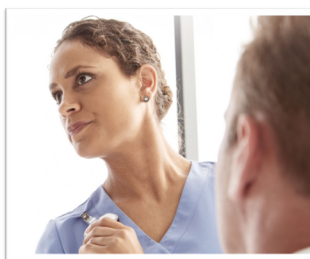

- Hub of care communication for patients, units and care teams
- Customizable, audience-centric messaging and information
- EMR & Nurse Call integration

## Virtual Care

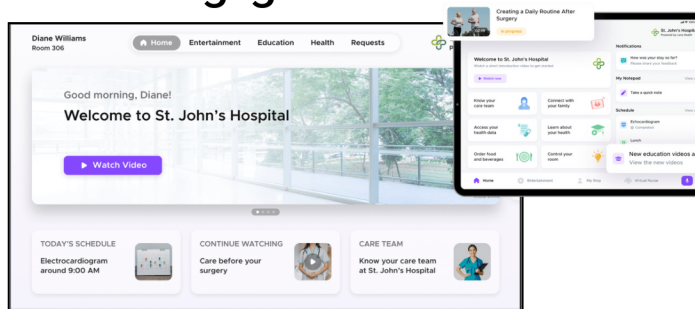

- Seamless and timely access to care teams, providers and family members, regardless of location
- Virtual sitters for monitoring patients at risk for falls, elopement, pulling lines, and delirium
- Conduit for care model innovation
- Clinical expertise to assist with care model development and program implementation

## Ambient Technology

- RTLS for enhanced safety and staff duress response along with asset tracking
- Environmental sensor monitoring
- Synchronized time
- Visual messaging
- Seamless integration with Nurse Call
- Analytics and reporting

## Patient Engagement

- A technology-enabled personalized patient experience featuring concierge services such as video education, entertainment and service requests
- Movies, music and streaming services (Netflix, Hulu, HBO, Prime Video, Cinemax, and more)
