

# Clearwave Core

## A Patient Revenue Platform Built for High-Growth Practices.

Use a best-in-class patient revenue solution that is designed to take your specialty practice to the next level. Clearwave Core is a fully automated, efficient and customizable patient revenue solution you can implement today, to boost profits tomorrow.

### Clearwave Scheduling:

Smart patient scheduling reflects your practice's preferences and priorities to maximize patient acquisition, capacity and flexibility – creating a noticeable impact your providers will recognize.

Real-Time Patient-Provider Matching, Custom Workflows, NextUp Waitlist, Check Eligibility, Track Success

### Clearwave Registration:

Streamlined patient check-in via self-service kiosks, tablet or mobile phone. Realize bottom-line impact through fewer denied claims, reduced no shows and increased point-of-service collections – driving revenue your practice has earned.

Passwordless & Portal-Free, True Self-Service, 50+ EMR/PMS Integration, Capture Clinical Intake

### Clearwave Eligibility:

Clearwave's Multi-Factor Eligibility™ runs multiple times on every patient, including the day of service. It drills down to the plan level, showing staff only the information relevant to them. Instantly determine accurate co-pays, without added fees, and increase collections while saving hours of time.

Multi-Factor Verification, Boost Self-Pay Collection, Medicaid/Medicare Checks, 900+ Payers (Plus Vision)

### Clearwave Communications:

Provide the communications patients expect from their healthcare providers, with automated tools built to improve efficiency, intake, retention, revenue and patient satisfaction – all without burdening your staff.

Recalls, Automated Reminders (Email, Text, Voice), Message, Two-Way Texting, Customizable & Accurate

## clearwaveCARE:

We're stronger when we support each other, that's why we provide clearwaveCARE. As our customer, your experience goes beyond technology – we CARE about your outcomes, your challenges and your patients.

Instructor-led Training, Implementation Manager, Targeted Goals & Direction, 95% Client Retention

### Put Revenue Back into Your Practice, Hospital or Health System

Your EMR knows your practice, Clearwave knows how to drive revenue and optimize your patient engagement. As a high-growth practice, you need more than just an off-the-shelf or add-on platform to achieve the results you require. Put your practice on the fastest path to growth.
