# LiNK VIRTUAL CARE

## TRANSFORM CARE WITH VIRTUAL SOLUTIONS

From virtual sitter and virtual nursing to specialty consults and more, West-Com & TV offers expert guidance that will enhance patient safety, foster clinical collaboration, facilitate access to specialty care, and enable family connection and engagement.

### Common Concerns, Thoughtful Solutions

#### **Family connection and involvement**

keep patients connected with loved ones, boosting morale and allowing family to actively participate in care plans.

**Access to specialty care** opens the door to patients and families for better health outcomes.

**The virtual sitter** solution for monitoring multiple patients outside the patient room yields significant ROI.

**Innovation driven** patient fall detection technology enhances patient safety.
